LIVE MUSIC & ENTERTAINMENT

Turn up the weekend with two stages of live entertainment plus music and performances throughout the festival.

The PG&E Main Stage brings a high energy mix of pop, funk, rock and dance to Castro Street, including festival favorites the Megatones and the House Rockers.

The Community Stage puts the spotlight on the incredible talent found right here in the community, with singers, dancers, musicians, actors and emerging performers taking the stage throughout the weekend.

COLLABORATIVE PAINT TEMPLE

Art is not just something to admire at the Mountain View Art & Wine Festival. It is something everyone can help create.

The Collaborative Paint Temple invites guests to add their own mark to a massive shared artwork while live DJs provide a soundtrack of melodic house music.

This year's theme, "What does love mean to you...", invites guests to express what love means to them through color and creativity. Throughout the weekend, thousands of contributions transform the temple into an entirely new work of art created by and for the community.

DJ DANCEPARK

Follow the beat to the DJ Dancepark, an immersive outdoor space where DJs, music and festival energy come together. Stop by for a song or stay a while and dance in the middle of Downtown Mountain View.

FAMILY FUN

Bring the whole crew.

The Kid Zone is loaded with entertainment for younger festival guests, including face painting, games, bungee trampolines, kids focused vendors and giant Water Balls that let kids climb inside enormous inflatable orbs and literally walk across the water.

FOOD WORTH COMING HUNGRY FOR

Bring an appetite because this is much more than standard festival fare.

More than 18 street food vendors serve up flavors from around the world, from sizzling BBQ and authentic street tacos to savory bao buns, Indonesian satay, gourmet crêpes, wood fired pizza and festival classics.

Castro Street's renowned restaurants will also be open throughout the weekend, making it easy to turn a day at the festival into brunch, lunch, dinner or drinks in Downtown Mountain View.

WINE, CRAFT BEER & COCKTAILS

Raise a glass to the weekend with wine, craft beer, refreshing canned cocktails and more available throughout the festival.

Wine selections include sparkling rosé, Chardonnay, Cabernet, sangria and other festival favorites.

Beer lovers can explore a lineup ranging from refreshing blondes to stronger beers like Elysian Space Dust IPA.

Canned cocktails and refreshing nonalcoholic drinks will also be available throughout the festival, including Tropical Hut's nonalcoholic piña coladas served in fresh pineapples and coconuts.
